Your application will be processed and considered by your state or local society, which will provide you with additional information regarding their specific application procedures. Please apply to the society where you conduct or will conduct the major portion of your practice; your state or local society may request additional information. For complete information regarding the *Bylaws* and the *Principles of Ethics* and *Code of Professional Conduct* of the ADA which govern the professional conduct of members, please visit ADA.org/ethicsconduct. A list of state dental societies can be found at ADA.org/societydirectories.
