POLISH YOUR PERSPECTIVE

Welcome friends, colleagues and dental team members to the 2025 Florida Dental Convention! We have an outstanding meeting planned with excellent continuing education (CE) for the entire team, an Exhibit Hall filled to the walls with vendors and, of course, many opportunities to mingle with friends, meet new people and improve the ever-important team bonding. The Gaylord Palms has many restaurants, pools and activities to enjoy beyond the meeting itself.

This year's theme, "Polish your Perspective," is intentionally designed to encourage each team member to think outside the box and gain a new perspective on how to improve their work, life, and patient relationships. Back by popular demand, The Pankey Institute is bringing its own unique perspective on the philosophy of dental practice as part of the more than 150 courses, workshops, and mini-residencies full of information and skills.

The Exhibit Hall should be called the "Let's Make a Deal Hall," with more than 350 exhibitors ready to guide you through purchasing the dental product or equipment you need. As you know, exhibitors have their best deals at FDC, so be sure to visit the Exhibit Hall to make connections and experience the best show in the country. The Exhibit Hall hours are:

- **Thursday, June 19, 11 AM-6 PM**
- **Friday, June 20, 8:45 AM-6 PM**
- **Saturday, June 21, 9 AM-2 PM**

FDC kicks off Thursday with a mid-day keynote by Dr. Roopali Kulkarni, "The Mouth is the Mirror to the Body: Oral Systemic Health," starting at 11:15 AM. After you've enjoyed your CE for the day, try relaxing with a Puppy Break 3-5:30 PM in the Exhibit Hall. Speaking of relaxing in the Exhibit Hall, the Welcome Cocktail Reception will run from 4-6 PM with plenty of opportunities to purchase the new equipment you have been thinking about all year. A drink ticket has been preloaded onto your badge for this event. After a great dinner at one of Gaylord Palms' restaurants, join us at Dueling Pianos from 8-11 PM; it's sure to be a polished performance!

Friday begins with another exceptional keynote session: "Work to a Different Beat," by Mr. Justin Jones-Fosu from 7:45-8:45 AM. It will be upbeat and get your blood flowing, so you'll be energized to take in all the great CE of the day. We will also celebrate our dedicated award winners during the FDA Awards Luncheon on Friday. This is a great event to get to know all the volunteers who work so diligently and contribute to the success of the FDA. Once again, the puppies will be out for snuggles from 3-5:30 PM in the Exhibit Hall, followed by the Big Easy Bash from 7:30-10:30 PM, which will be filled with fanfare and celebration! The FDC team always goes all-out for this event and this year's Big Easy Bash will surely be special. If you still have energy, The After Party will be held 10 PM-12 AM and you can dance the night away!

I sincerely hope that you and your team enjoy FDC2025. If you see me wandering the Gaylord Palms, please stop me, say "hi" and let's get to know each other. Organized dentistry is all about friendships and relationships.

Dr. Jeff Ottley

2024-2025 FDA President

A TRANSFER refers to the movement of an individual out of one course, workshop or event and into another course, workshop or event.

On-site transfers will not be allowed for any limited seating sessions (such as workshops). On-site transfers will be allowed for lecture courses if space permits. If an individual wishes to transfer into another session on-site, that individual must pay for the difference in cost of the new session. Course transfers can be made online or with a registration agent at On-site Registration in City Hall Lobby.

Recordings will be available for purchase at the meeting at Osceola Reg. 3. During the meeting, recordings are available at a discounted show price. Save money and purchase yours on-site! Unauthorized audio taping is strictly prohibited. *See the Course Recording Purchase Form on page 60 for pricing.*

CONTINUING EDUCATION CREDIT

CE verification is automatically provided for all attendees. To receive CE credit for course attendance, attendees must scan their badge upon entering and exiting a course. The system will then calculate the amount of time an attendee was present and award the credit appropriately. Per the Florida Board of Dentistry, to receive 1 hour of CE credit, attendees must be present in a course a minimum of 50 of the 60 minutes.

Attendees will be emailed their CE certificate by June 23, 2025. Attendees can also obtain a printed CE certificate after the end of the course. CE stations are located on the classroom level 7 AM-5:30 PM on Thursday and Friday, and 7 AM-3 PM on Saturday. Partial course credit will not automatically be listed on CE certificates and will be added by July 21, 2025 and emailed to attendees.

All verified course attendance will be submitted to CE Broker for Florida-licensed attendees no later than July 21, 2025. Your CE certificate will list all attended courses; however, credit will not be reported to CE Broker for non-credit (NC) courses. Verified course attendance for NC courses will be listed as zero hours on your certificate. Each state varies on what is accepted for CE and those courses can be self-reported after the event, should your organizing dental board accept those courses.

CE/ADA CERP

Florida dentists are required to complete a minimum of 30 hours of approved continuing education in dental-related subjects each biennium. Attendees can earn up to 20 credits at FDC.

The Florida Board of Dentistry (BOD) accepts up to three hours of credit biennially for practice-management courses that address: principles of ethical practice-management, substance abuse, effective communication with patients, time-management and burnout-prevention instruction. At FDC, these courses are coded “PM.” Dentists who have questions about whether the BOD will accept a particular course should visit the BOD website (<http://floridasdentistry.gov/licensing/dentist/>) or call 850.245.4474.

ADA CERP® | Continuing Education Recognition Program

The Florida Dental Association is approved as a continuing education provider by the Florida Board of Dentistry. The Florida Dental Association also is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider (floridadentalconvention.com) or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

COURSE SATISFACTION DISCLAIMER

Should you choose to register for a course outside the recommended audience, refunds will not be issued if you are dissatisfied with the course.

SCIENTIFIC PROGRAM DISCLAIMER

The FDA and the Conventions and Continuing Education Committee make every effort to present high-caliber speakers in their respective areas of expertise. The speakers' presentations in no way imply endorsement of any product, technique or service presented during these presentations. The FDA specifically disclaims responsibility for any material presented. In addition, participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy.

WORKSHOP DISCLAIMER

Registrants may be required to bring instruments or other materials to workshops, or to attend a mandatory prerequisite lecture. In addition, it is the responsibility of each registrant to check the course description carefully for equipment needs, participant requirements or prerequisites.

For those attending workshops, please be aware of the potential risks associated with using new techniques and procedures without having fully attained a competency level to practice them.

VIDEO RECORDING AND PHOTOGRAPHY DISCLAIMER

Video recording and photography are strictly prohibited in all scientific sessions unless otherwise stated by the speaker. Course audio recordings are available to purchase at Osceola Reg. 3 Desk for \$20 each, if you wish to view course content at a later date.

LIABILITY POLICY

Attendee assumes all risks and accepts sole responsibility for any injury (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability,

or expense, of any kind, that the attendee may experience or incur in connection with attending FDC2025. Attendee hereby releases, covenants not to sue, discharges, and holds harmless the FDA and its employees, agents, and representatives of and from any such claims, including all liabilities, claims, actions, damages, costs, or expenses of any kind arising out of or relating thereto.

EMAIL / MAILING POLICY

By registering for FDC2025, you authorize the FDA the right to add your email address to their email marketing list to receive convention updates for 2025 and subsequent years. You can opt-out at any time but will not receive pertinent information regarding your registration.

PHOTO RELEASE POLICY

By registering for FDC2025, you are authorizing the FDA the right to photograph you, your invitees and guests while attending courses or using common or public areas of the hotel and to use the photographs in all formats and media for any purpose, including for education, marketing and trade purposes. By registering, you release FDA from all claims arising out of the use of the photographs, including without limitation all claims for compensation, libel, invasion of privacy or violation of copyright ownership.

NON-SMOKING/NON-VAPING MEETING

In keeping with good health practices, the Florida Dental Convention has been officially designated as a "non-smoking and non-vaping" meeting.

EMOTIONAL SUPPORT ANIMALS

Under the Americans with Disability Act, ESAs are not given the same rights and exemptions as Service Animals and approval of ESAs in public areas and

businesses are at the discretion of those entities. If prior approval was not given by FDC by June 13, attendees will be asked to remove the ESA from the event.

FIRST AID/PARAMEDIC

A paramedic is located in Sun Reg. 1 on the classroom level Thursday through Saturday from 7 AM to 5 PM. If you are experiencing any COVID-19 symptoms or are feeling unwell, please either return home or visit the FDC Paramedic Room.
