

FREEMAN- EXHIBITOR LOAD IN POLICY

EXHIBIT INSTALLATION & DISMANTLING

Freeman has an agreement with the Local IATSE Union to provide labor for display erection and dismantling. Full-time employees of the exhibiting companies, however, may set up their own exhibits without assistance from this local. Any labor services that may

be required beyond what your regular full-time employees can provide, may be rendered by the Union. Labor can be ordered in advance by ordering online or at the show site, at the service desk.

MATERIAL HANDLING

Exhibitors may hand-carry their own materials into the exhibit facility. The use or rental of dollies, flat trucks and other mechanical equipment, however, is not permitted. FREEMAN will control access to the loading docks in order to provide for a safe and orderly move-in/out. Only full-time employees of the exhibiting companies will be allowed to hand-carry items. Unloading or reloading at the dock of any and all contracted carriers will be handled by FREEMAN. Children are never allowed on the loading dock.
